The effects of global warming are impacting the entire world. This fictitious story follows people from all parts of the US that gather in a “Safe place,” located in Northern Wisconsin, and how they cope with their new daily challenges. The government finally recognizes the grueling reality of global warming and strived to thwart it after all their efforts seemed futile. The destruction of the world was imminent which resulted in the President’s decision to take the only way out.

Sally A. Allen is originally from Wisconsin and currently lives in West Central Florida with her Schnauzer, Sibby. While her novels are fiction, she draws from the many experiences she’s had in her life.

About the Book

When Humboldt Yolo Stanislaus IV, a young recent graduate of Fool's Gold Community College, stumbles across a mysterious bottle on a Bermuda beach that contains a crude handwritten map, his life is about to change. He unwittingly finds himself caught up in a plot of intrigue to help his country.

About the Author

Mel Horowitz has been writing fiction and nonfiction since he won the seventh-grade short story contest at Horace Mann Junior High School in Los Angeles. He graduated cum laude from the University of Southern California and from the University of California's Hastings College of the Law, San Francisco. Mel had a solo law practice for twenty-two years. He devotes his time to writing novels, plays, and poetry.

About the Book

1766 was arguably one of the most decisive years in the history of greater India, yet was one of those years that went down in recorded history as the least recorded. In the noise of the churn that was happening in the subcontinent, with several occupiers and defenders and conflicting narrative between the victor and the vanquished, no one document can ever be a correct representation.

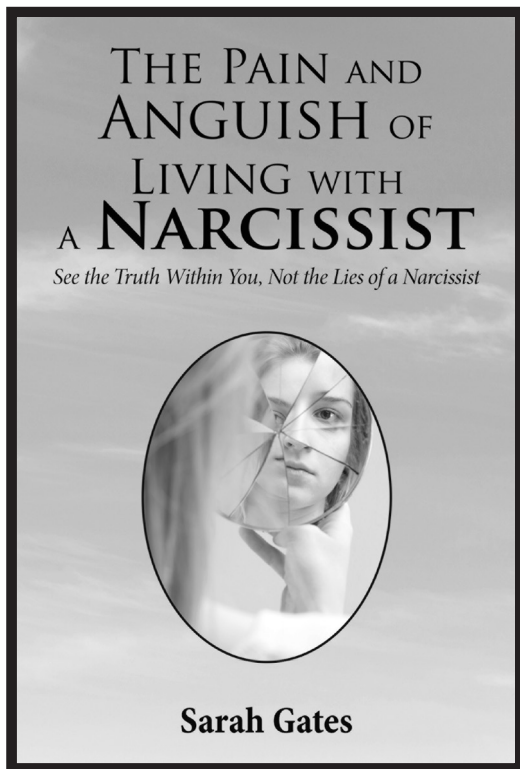

While a deteriorating Mogul Kingdom in the north witnessed general lawlessness, the Portuguese and then the rest swarmed the shores of East and West India. With the Dutch, Portuguese, French, and English vying for trading rights, they came as traders, then as looters, and then finally, as occupiers for a bigger share of the wealth. Spice was lodestone and the three millennium of gold reserves...Into this melee on the Spice Coast enters Hydr, a warlord, a half breed in true sense. Dodgy and untrustworthy, his mission is to amass wealth.

Unknowing to this grand scheme of things, events occur as far away as Zanzibar, Oman, Venice, and some closer to home, in the mountains of Chitral and deserts of Thar and back alley of Calcutta, culminating in the still-unexplained death of three kings and billions of dollars' worth of gold going missing.

About the Author

Triveen is a widely-travelled person. He left his last assignment as Business Head Asia, Middle East and Africa to follow his passion. As in his characteristic style in real life, he does not make any claim and yet conveys a lot subtly in this fast-paced action adventure of 1766 spanning three continents, culminating in the Land of Spices!

THE PAIN AND ANGUISH OF LIVING WITH A NARCISSIST

See the Truth Within You, Not the Lies of a Narcissist

Sarah Gates

ISBN13: 978-1-5434-4555-8 (Trade Paperback)

ISBN13: 978-1-5434-4554-1 (eBook)

Trade Paperback: \$15.99

eBook: \$3.99

Pages: 66

Subject: Biography & Autobiography / General

ABOUT THE BOOK

Sarah Gates shares her experiences from narcissistic abuse in the book, *The Pain and Anguish of Living with a Narcissist*. She tells the world her personal story as a way of fighting off the pain she has felt as a victim and to let out the truth of what a narcissist is and what harm they can do to someone.

The book depicts the abuse in a personal setting, and provides hints on how to identify a narcissist and what pain they can inflict to people along with describing the feelings of being abused. All of these stemmed from the author's own experiences on a daily basis. The chapter titles describe what signs to watch out for.

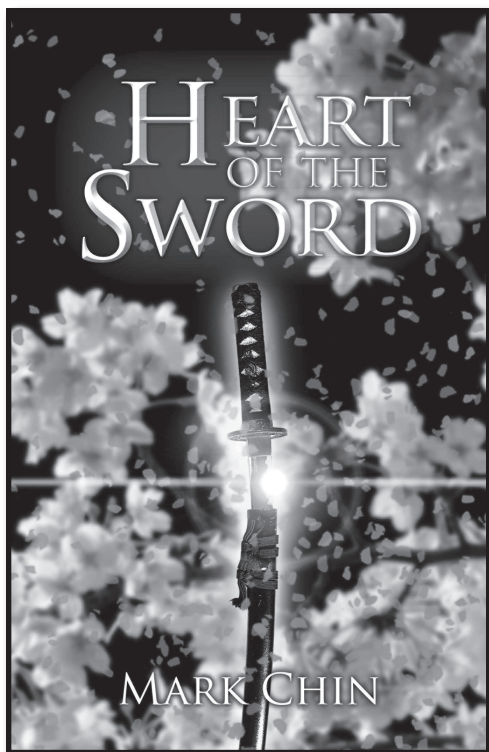

"It's time that I claim back my life and do what I was born to do and to stop being the narcissist's puppet," Gates declares.

The author invites readers to decipher each word from the book, in hopes that it will help them become more aware and how to take notice of any narcissistic abuse, and learn how to get away from such abusers.

ABOUT THE AUTHOR

Growing up and living in a small country town of Maine, I've always enjoyed gardening, life with many animals and of course my children. I was married for as long as sixteen years. Depression got the best of me, and thought I always did wrong. Leaving was the only way out without hurting myself. Divorcing was the next step. I lived away from home for a small total of three and half years. I didn't enjoy the fact the family was torn apart, moved back home and this is when a whole new world opened up for me; this is when a lot of why's were able to get answered. I may not be totally happy at this point, but this is the first steps to a new life I'm working on achieving and learning what my life's purpose is to be.

Subject: Fiction / Action & Adventure

About the Book

For centuries, the Tokugawa Shogunate has held sway over Japan, bringing an unprecedented period of peace and political stability where once anarchy reigned. Yet all things must pass. The restless nation stirs with the murmur of new ideas, like democracy, freedom, and industrialization.

Some embrace the change that these words bring, while others will die to preserve the Old Order. The ancient samurai exist somewhere in between. No longer the highly respected warrior sect of old, they are now ronin, samurais without masters. Among them is Saitou Hajime, a ferocious assassin, who lives by the power of his sword alone.

About the Author

Mark Chin's life experiences have been shaped by a variety of exotic places and professional interest in operations, strategic planning, project management, and client relations. Although these experiences didn't qualify him to write, they enabled him to observe the human condition, which comes across in his fiction as reflections of reality and sometimes fantasy.

Treatises on Economics

Cambridge Brighton

ISBN: 5-800122-269942

About the Book

Treatises on Economics is a compendium of two very important treatises on economics which were developed during the Industrial Revolution. The Wealth of Nations (1776) was written by Adam Smith, a classical economist who served as the Commissioner of Customs of Scotland. The Principles of Economics (1890) was written by Alfred Marshall, a philosopher and an economist who founded the neoclassical economic theory.

About the Author

Cambridge Brighton is an attorney and an educator with an interest in economic theory.

AWAKENING

Fulfilling your soul's purpose on earth

Awakening

Fulfilling your soul's purpose on earth

Ping Li

ISBN13: 978-1-4251-8055-3 (Trade Paperback)

ISBN13: 978-1-4907-8059-7 (eBook)

Trade Paperback: \$27.00

(eBook): \$3.99

Pages: 300

Subject: Self/Help / General

About the Book

Have you ever wanted to know why you are here on earth? Do you sense that you have a higher purpose, a special calling, but have no idea what it is or how to find it? Do you try to convince yourself and others that you are happy and fulfilled? Do you wish to have abundance flow to your life effortlessly without working so hard? Do you know something is missing in your life but can't identify what that is? If the answer is yes to any of these questions, help has arrived!

In *Awakening* you'll discover how to tap into your inner wisdom and the infinite universe to gain valuable insights and knowledge about who you really are at all levels—physical, mental, emotional and spiritual. The practical exercises and guidance in every chapter will help you to connect with your divine essence and align your beliefs, perceptions, intentions, feelings, choices, actions, words, and your personalities with this inner truth so that you can transform your reality and manifest all that you truly desire in life, pure love, unlimited abundance, deep fulfillment...and much more.

About the Author

Ping Li, an author, Reiki master, healer, speaker, and inner transformation mentor, was born and raised in China, graduating from Zhejiang University in China; received her master's degree in Mathematics from the University of Wisconsin, Milwaukee, and had a successful career as an actuary and a six-figure nutritional business in the U.S.A.

Her personal *Awakening* experience had guided her to discover her unique soul's talents and her life's purpose, a new way of living, being, creating, and bliss, to serve and contribute to humanity and mother earth. She now works with spiritually seeking authors, speakers, coaches, solo-entrepreneur's, light workers, and executives who are ready to give up their struggles, pains, disappointments, get their messages out to the world in a big way, claim their pure nature of who they really are, create spiritually enlightened, material enriched life, and finally having joy, love, meaning and miracle in their lives.

She treats every encounter in her life as an opportunity to go deeper and higher, be a conduit of love and light, and free herself from the negative feelings and the bindings of her ego. She resides with her family in New Jersey. Follow her at www.awakenwithinpath.com.

What Keeps a Butterfly from Flying?

Author shares her personal story in facing her fears with a false relationship, and her journey to finding herself.

Apalachin, NY – In this true story about a young woman's journey to freedom, readers will witness how author Cynthia Snyder finds the courage to end a relationship after finding the truth about her partner. "To Keep a Butterfly from Flying" is the author's way of helping others, who are in the same situation. With the help of her coworkers she finds the courage to face the reality of her relationship and accept that she needed to move on. Sometimes, in order to find oneself, one has to be lost. The author transforms her perspective on life and in doing so set herself free.

She starts her journey to discovery with her new job working on a cruise ship as a hairdresser. Throughout her travels she discovers an enlightenment. Along the way she meets people from all over the world, giving her lessons, and a new found appreciation for all that she once took for granted. With each place she travels she gains so much knowledge and understanding through those she encounters. Her eyes are open for the first time as her horizons broaden.

This book is available online and can be purchased at www.bookventure.com, www.amazon.com and www.barnesandnoble.com.

Cynthia Snyder grew up in Apalachin, New York. She is the youngest child of five. From a very young age, she had a passion to help people, and longed to truly make a difference in this world. She became a hairdresser when she was 19 years old. She had a passion for hairdressing as her career in the beauty industry brought her to work in New York City, as well as traveling the world upon a cruise ship.
