USA Pavilion

***Welcome to the USA Pavilion at the
2017 Guadalajara International Book Fair***

This Directory makes it easy for you to identify potential partners, make appointments or communicate with the right person.

Our USA Pavilion attendants are on hand to help you find books, take inquiries, and to help you identify publishers and authors for rights, licensing and sales purposes.

Our participants are also listed on our web site year round at:

<http://www.combinedbook.com/catalogs-and-reports.html>

Be sure to look at our newest venture, **Pubmatch.com**. Your Global Rights Network

The Legend of D'Woof-ta, The Little White Wolf

How the First Snow Came

Clifton E. Stine

ISBN13: 978-1-5245-6666-1 (Paperback)

ISBN13: 978-1-5245-6665-4 (eBook)

Paperback: \$15.99

eBook: \$3.99

Pages: 24

Subject: Fiction / Classics

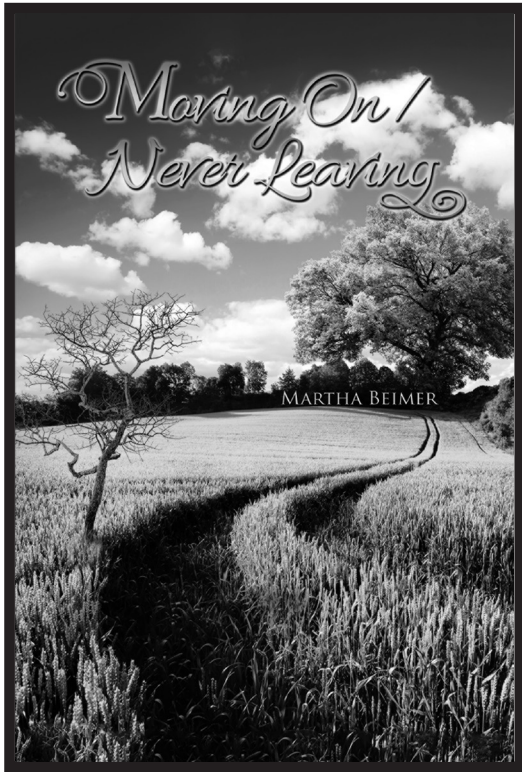

ABOUT THE BOOK

In the beginning of time, all the free people roamed the fields, plains, and forests of the new world and grew in numbers until the lands became overcrowded. The animals became hungry. Father Time saw the problem and, one moonlit night, brought forth the Great Mother Wolf from the waters of the first spring. He then charged her to take from the free people the old, sick, and injured so that the strongest and fittest would share the gifts of the new world. Soon the Mother Wolf became overwhelmed with the task that Father Time had given her. She went to Father Time and begged for some helpers. That night she was given four new cubs that looked just like her. The animals were very unhappy and went to Mother Nature to complain that they could not rest because of all the new wolves.

ABOUT THE AUTHOR

Dr. Clifton E. Stine is a professional engineer with over forty years of experience in defense programs. He has applied his innovation and creativity to many of the most challenging issues confronting the modern world. When his daughter asked him, "Where does snow come from?" he collected all his experience and knowledge to create the Legend of the White Wolf and how a mistake by Mother Nature's magic butterflies caused Father Time to make the first snow and create all the seasons now and for all time.

MOVING ON / NEVER LEAVING

MARTHA BEIMER

ISBN13: 978-1-5245-5149-0 (Hardback)

ISBN13: 978-1-5245-5148-3 (Trade Paperback)

ISBN13: 978-1-5245-5147-6 (eBook)

Hardback: \$29.99

Trade Paperback: \$19.99

eBook: \$3.99

Pages: 144

Subject: Fiction / General

ABOUT THE BOOK

I hope that *Moving On / Never Leaving* allows people who have always lived in one place to see the joy that can be had by those who move. Even though the girl in the story moved a lot, she carried all her friends with her in her memories everywhere she went. Some of them even grew in her mind as she grew, matured, and aged. I also hope that the readers of this little story will realize that family, faith, and memories are more important than things.

"Enjoy your memories. They're all that's left you" (Simon and Garfunkel).

ABOUT THE AUTHOR

Martha Beimer is a nearly retired bank teller. She spent the first parts of her life moving with her family for her father's job. The last fifty seven years, she has lived in or near Ballinger, Texas. Martha is a Texas master florist, but works as a bank teller. She is a grandmother who loves to travel, read, knit, sew, paint, and do other nondomestic chores. Martha credits God and her good family for her joy and successes in life. She is looking forward to having more time to share her stories. Her motto is God Is Good.

The Squirrel's Finnegan

J. Russell Brooks

www.authorhouse.com

ISBN13: 978-1-5246-5087-2 (Trade Paperback)

ISBN13: 978-1-5246-5086-5 (eBook)

Trade Paperback: \$20.99

(eBook): \$3.99

Pages: 46

Subject: Juvenile Fiction / General

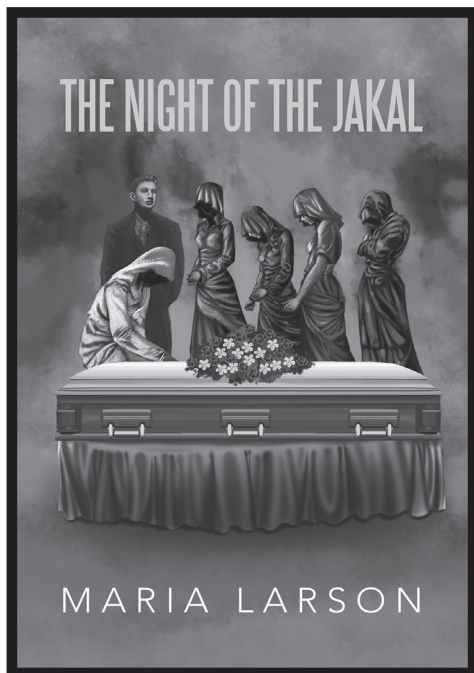

About the Book

J. Russell Brooks notes that bullying has become an epidemic in this country. In his own way, he sets up a platform for parents and children not only to share precious bonding time but also to openly talk about and discuss the reality of bullying. *The Squirrel's Finnegan* is a delightful book that teaches children about accepting differences and standing up against bullying.

About the Author

The author grew up in the 1960s as part of a Navy family, the youngest of three children. His father was a navy combat jet pilot where his career demanded him to move his family back and forth across the country several times. The author was born in Pensacola, Florida but if you ask where he's from, he will tell you the United States. His family finally settled down in Virginia Beach in 1972. Brooks was going into the eighth grade for what then, was a five year stretch in high school. He had always thrived in school, never having to work too hard. He was always very athletic and succeeded in both wrestling and gymnastics. His athletic passion now is big sail boat racing where he works the cockpit on a thirty-seven foot sail boat. By day, Brooks works as an asset manager for a large car rental company and by night he mostly watches television, and even admits he addicted to hour long drama series. When he was in his early fifties, his doctor diagnosed him having signs of depression. With the doctor's help to manage his depression the author was inspired to write his first book: a memoir showcasing the ups and downs of his life. He'd hoped to inspire others that might have had similar life trials to seek out help as well. The inspiration and admiration for a lifelong friend and her family has motivated the author to write his children's book as a tribute to them.

Trade Paperback: \$15.99
(eBook): \$3.99
Pages: 52
Subject: Fiction / General

ABOUT THE BOOK

Victor is an average high school student a not-so average appetite for the fine things in life. He finally gets what he wants when he marries Linda, the daughter of a wealthy businessman. Their union was received reluctantly by their community. After several personal failures, Victor spirals into self destruction, having affairs, gambling and taking illicit drugs. What unfolds next is a complex cat and mouse game filled with deceit, danger and, ultimately, murder.

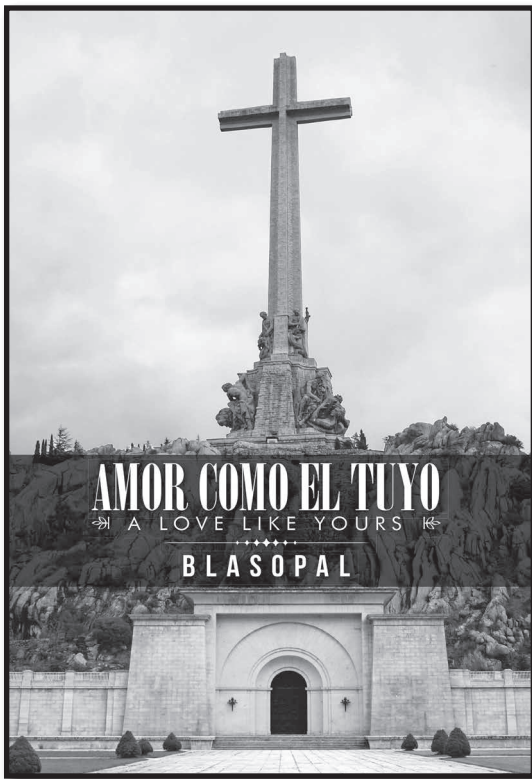

In this gripping whodunit, Maria Larson weaves a tale of revenge and retribution. The Night of the Jakal will absorb readers from beginning to end!

ABOUT THE AUTHOR

Maria Larson was born in Patillas, Puerto Rico, USA, to her father, Dr. Jose Pena, and Ramona Lugo. Her grandfather Abraham, a lawyer, walked with patriots like Luis Munoz Rivera and Santiago Iglesias. She completed her education at University of Pennsylvania as a certified physical therapist (1954) and is continuing her education at Loma Linda University. Maria also studied with the European Study Tours of facilities and procedures at St. Thomas Hospital in London; Rotterdamse Academie voor Fysiotherapie in Rotterdam; University of Cologne, orthopedic clinic and sports medicine clinic in Cologne; Bad Belzig and Johannesbad in Passau, Germany; Leukerbad in Switzerland; La Chataigneraie Hospital and ADERF in Paris; and the Buckley School of Public Speaking in Camden, South Carolina.

Larson has three sons Carl, David, and John. She created puppets for shows she enjoyed with the children. Her main pastime is playing duplicate bridge.

AMOR COMO EL TUYO

A LOVE LIKE YOURS

Blasopal

ISBN13: 978-1-4907-7247-9 (Hardback)

ISBN13: 978-1-4907-7245-5 (Trade Paperback)

ISBN13: 978-1-4907-7246-2 (eBook)

Trade Paperback: \$10.99

Hardback: \$23.99

(eBook): \$4.99

Pages: 76

Subject: Poetry / General

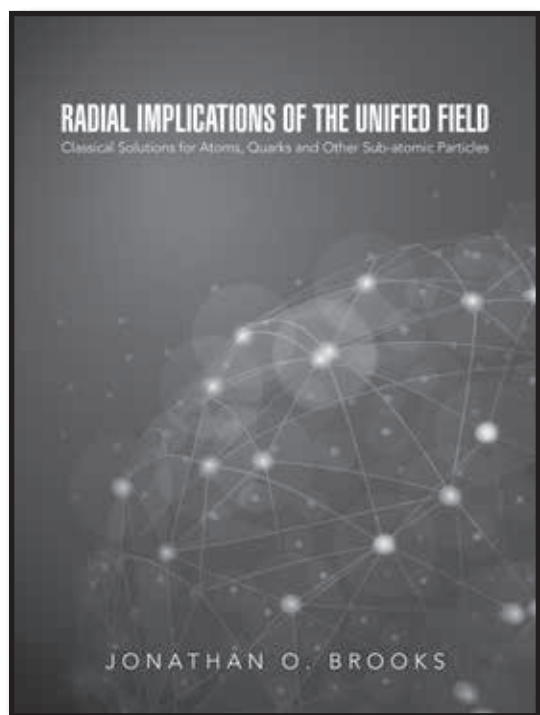

About the Book

En “Amor como el tuyo” Blasopal habla de un amor especial, el cual describe como “inmensurablemente grande y único”. Se trata de un hermoso poemario en español que contiene una sección con poemas traducidos al inglés además de bellas fotografías.

About the Author

Blasopal es un escritor hondureño nativo de La Ceiba. Escribe desde el comienzo de su adolescencia. Ha compartido su poesía en eventos culturales, festivales de poesía, por la radio y por las redes sociales. Además de “Amor como el tuyo”, ha publicado una trilogía de poemarios: “Brisas del recuerdo ceibeño” (2005), “La vida continúa” (2007) y “Corazón enamorado” (2012). Le antecede a estos un libro con una temática diferente: “Inglés básico para el viajero hispano” (2003).

Radial Implications of the Unified Field

Classical Solutions for Atoms, Quarks and
Other Sub-atomic Particles

Jonathan O. Brooks

www.iuniverse.com

ISBN13: 978-1-4917-7535-6 (Trade Paperback)

ISBN13: 978-1-4917-7536-3 (eBook)

Trade Paperback: \$23.95

(eBook): \$3.99

Pages: 198

Subject: Science/Physics/Mathematical & Computational

About the Book

Do you think that Einstein was correct in saying that gravity was an electromagnetic phenomenon? Jonathan O. Brooks answers that question and many more in this exploration of nearly everything—providing proof that causality exists in atomic and subatomic regions. His research is inspired by an equation he derived fifty years ago for the separation of two similar steroidal materials using nonaqueous solvents. *Radial Implications of the Unified Field* reveals fascinating discoveries that will appeal to teachers, students and those with an interest in mathematics, chemistry, and physics at the junior high, high school, college or graduate level.

About the Author

Jonathan O. Brooks was born on January 24, 1927 in Shelburn, Indiana. His father was a coal miner while his mother had been a missionary in India who returned to teach locally. Drafted into the US Army in 1945, he had infantry training. As a sergeant, he was chief NCO at Regimental Operations upon his honorable discharge in 1946. After attending Indiana State, he found local employment with Pfizer. He joined Pfizer's Research and Development group in Brooklyn after he acquired a Bachelor of Science in Chemical Engineering from Purdue in 1952. He was married in 1956 to Mafalda Fenoglio and they had a daughter, Pamela. Holding a Life License, for 19 years, he taught science and math in several Indiana and Illinois schools. During summers, he obtained sufficient master's degrees at ISU to be accorded a Ph.D. After retiring in 1994, he taught science for Ivy Tec, an Indiana junior college, in the prisons.

LLOYD DUNCAN

RINGS of MISFORTUNE

Everything is Not Enough

Lloyd Duncan

ISBN13: 978-1-4653-4314-7 (Hardback)

ISBN13: 978-1-4653-4313-0 (Trade Paperback)

ISBN13: 978-1-4628-3987-2 (eBook)

Trade Paperback: \$22.99

Hardback: \$32.99

(eBook): \$9.99

Pages: 404

Subject: History / General

About the Book

Over 16,000,000 men served in the armed forces in WWII. Perhaps as many as 3%, or 480,000, had a homosexual orientation. Admittedly, several thousand were screened out before being inducted, and some later received Undesirable Discharges. Sixty to Seventy thousand of these men saw combat action, and undoubtedly hundreds were killed, and thousands were wounded.

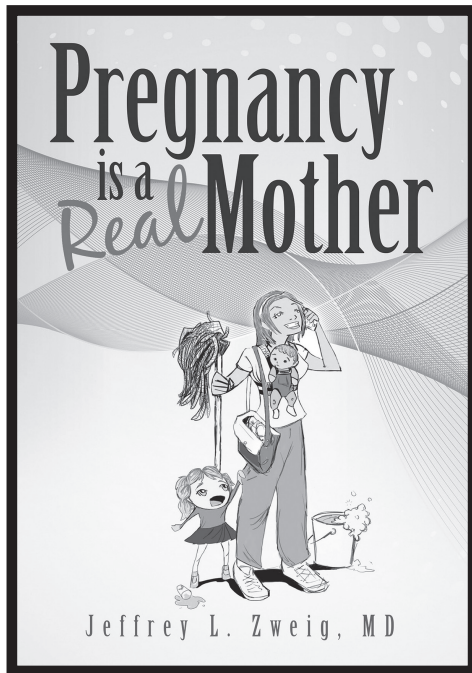

Jack Scott, by far the most outstanding seventeen-year-old in a small town in Arkansas, is forced to confront this problem both at home and in the military. This story is his, and to a degree, the stories of his family, his friends, and his comrades in combat.

The problem is handled sympathetically, if realistically.

About the Author

W. Lloyd Duncan is the author. He is a graduate of Yale University, medical school, and former U.S. Naval Flight Surgeon, and is retired from the practice of general surgery in a rural town in Tennessee. He also has penned his autobiography, "Just Getting There," and a second novel, "Dissolution," soon to be released.

Pregnancy is a “Real Mother!”

Jeffrey L. Zweig, MD

ISBN13: 978-1-5035-1973-2 (Hardback)

ISBN13: 978-1-5035-1974-9 (Trade Paperback)

ISBN13: 978-1-5035-1972-5 (eBook)

Hardback: \$34.99

Trade Paperback: \$23.99

Ebook: \$3.99

Pages: 894

Subject: Health & Fitness / Pregnancy & Childbirth

ABOUT THE BOOK

The title of the book says it all: a book with its own “personality” written by an Ob-Gyn who has delivered over 8,000 babies over 40 years of practice experience. Dr. Zweig’s goal in writing this book is to “answer all the questions” about pregnancy that are typically asked on a daily basis. The book starts out on the same journey of pregnancy that the expectant parents begin: from the positive pregnancy test to labor and delivery to newborn care. All the technical information is presented but this book is different from all other books on pregnancy with:

1. Over 100 pictures of patients and nurses during their pregnancy, labor and postpartum
2. Anecdotes of real events that are tied to the information being presented
3. Doses of “humor” to keep the reader smiling and giggling

You will enjoy reading the medical explanations of most of the “Old Wives Tales” near the end of the book followed by “Old Obstetrician Tales:” 25 separate stories of actual patients with different pregnancy-related situations. These true stories will intrigue you, make you laugh, bring you tears of joy and make you think.

ABOUT THE AUTHOR

Jeffrey L. Zweig, MD, was born in Los Angeles and grew up in Santa Ana, California.
